**DECLARATION OF WILLIAM N. HOWARD**

My name is William N. Howard. Pursuant to 28 U.S.C. § 1746, I make this Declaration on personal knowledge. I am an attorney of record in the above-entitled action. I am over the age of 18 years and competent to testify to the matters set forth herein.

1. I was an equity partner and attorney at the law firm of Freeborn & Peters LLP (“F&P”) in Chicago, Illinois. I am currently a partner and attorney at the law firm of Locke Lord LLP (“LL”). My work in this case spanned my time at F&P and LL. I have been actively practicing law since 1985. I have attached as Exhibit “A” to this Declaration a copy of my resume, which accurately sets forth my experience over the last 28 years.

2. My practice consists primarily of complex commercial litigation, as well as all aspects of complex construction, business, shareholder, trademark, trade secret, non-compete, and product liability litigation and all pre-litigation planning and strategy.

3. I have overseen and supervised all activities by F&P and LL related to representing Mary E. Shepard and the Illinois State Rifle Association (“Plaintiffs”) in the above-referenced matter. Given my involvement in these proceedings, I am familiar with the work of my colleagues as well as the work I performed with respect to these proceedings. Our legal team was appropriately staffed. The tasks were distributed according to the experience level of the attorneys and other staff members were utilized appropriately. Although some tasks required more than one attorney due to the complex nature of the legal issues or time constraints, we were careful to avoid duplication. In fact, care was taken to include attorneys with a lower billable rate to perform tasks commensurate with their experience such as discrete research assignments.

4. I am familiar with the manner in which F&P and LL maintain their business records and generate their billing records. F&P attorneys are required to maintain time records at or near the time that the work is performed. Throughout the course of this litigation, F&P had the following billing policy: every Wednesday by 5:00 pm, every F&P attorney and paralegal is required to cause his/her time from the previous week to be inputted into F&P’s electronic billing system. Within the first few business days of each month, a deadline is set by the Accounting Department by which all time entries, costs and disbursements from the previous month must be inputted in the electronic billing system to generate an invoice. By the 15<sup>th</sup> of each month, an invoice is generated to reflect all fees and costs incurred from the previous month. LL maintains and utilizes in the ordinary course of business a computerized time and billing system whereby attorneys or paralegals submit daily time sheets showing and describing

the amount of time spent on each billable matter. LL attorneys are required to record and release their time on a daily basis. The time is so kept and recorded as to a unique file number identified to the particular litigation matter. Exhibit "B", attached hereto and made a part hereof, is comprised of true and correct copies of invoices and billing records which were created and maintained as a business records in the ordinary course of F&P's business and LL's business, and pursuant to the billing policies of F&P and LL.

5. During my representation of Plaintiffs, I charged the clients between \$450.00 and \$475.00 per hour. These rates are less than my current customary rate of \$565.00 per hour and less than my customary rate during 2011-2013, which was \$545.00. See Exhibit "C". These rates were approved by Judge Shadur of the United States District Court, Northern District of Illinois, in the case *National Rifle Association of America, Inc. et al. v. Village of Oak Park*, Case No. 08 CV 3696, which related to similar issues involving the Second Amendment.

6. During my representation of Plaintiffs on the above referenced matter, I charged Plaintiffs for 242.50 hours of work over approximately 29 months, from April 2011 through August 2013. See Exhibit "B". I charged Plaintiffs \$475.00 per hour for 161.60 hours of work during the first 22 months of my representation and \$450.00 per hour for 19.7 hours of work thereafter. *Id.* In total, I charged Plaintiffs \$85,625.00 in attorneys' fees. *Id.* This work was necessary to adequately represent Plaintiffs' interests. I provided significant consultation regarding local rules and practices, managed the drafting and filing of multiple pleadings, conducted extensive legal research and communicated extensively with the clients regarding the case status.

7. Garry Wills was the primary attorney at F&P that assisted me in the above-entitled action. Garry Wills became a partner at F&P in January 2013. Garry Wills has been

actively practicing law for over 10 years. His practice at the time consisted primarily of complex commercial litigation. The biography of Garry Wills, is attached hereto as Exhibit "D".

8. Attorney Garry Wills provided consultation regarding local rules and practices, participated in the drafting and filing of multiple pleadings and conducted extensive legal research. Garry Wills billed 33.50 hours at \$340.00, 26.00 hours at \$375.00, and 11.70 hours at \$395.00 for a total charge to Plaintiffs of \$25,761.50. *See Ex. "B".*

9. John Costello is an attorney at LL that assisted me in the above-entitled action. John Costello has been actively practicing law for over 10 years. His practice consists primarily of regulatory counseling and complex commercial litigation. John Costello worked previously for the Office of the Illinois Attorney General and has experience counseling clients regarding federal and state governmental issues. The biography of John Costello, is attached hereto as Exhibit "E".

10. Attorney John Costello provided legal research. John Costello billed 3.6 hours at \$440.00 for a total charge to Plaintiffs of \$1,584.00. *See Ex. "B".* Other representative matters during the relevant timeframe that establish that this attorney charged rates equal to or greater than the rates charged in this case is attached as Exhibit "G".

11. Keith Gibson is an attorney at LL that assisted me in the above-entitled action. Keith Gibson has been actively practicing law for over 15 years. His practice consists primarily of complex commercial litigation. The biography of Keith Gibson, is attached hereto as Exhibit "F".

12. Attorney Keith Gibson provided consultation regarding local rules and practices, participated in drafting and filing of pleadings and conducted legal research. Keith Gibson billed 17.3 hours at \$425.00, for a total charge to Plaintiffs of \$7,352.50. *See Ex. "B".* Other

representative matters during the relevant timeframe that establish that this attorney charged rates equal to or greater than the rates charged in this case is attached as Exhibit "G".

13. In addition to fees charged, F&P and LL also charged Plaintiffs for necessary costs associated with bringing the above captioned action. Those costs, incurred over the 29 months this action has been pending amount to \$9,256.22. Those cost include photocopying, court costs, electronic research, messenger services, a small amount of travel expenses, and other necessary incidental expenses.

14. In total, myself and my firms F&P and LL charged the Plaintiffs \$129,579.22 in fees and costs. These fees and costs were necessary to adequately represent Plaintiffs in this complex and important matter that addressed a fundamental constitutional right.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: 12/27/13

The image consists of a series of horizontal bars of varying lengths and positions. The bars are solid black and have thin white borders. They are arranged in a way that suggests a perspective view, with some bars appearing to recede into the distance. The overall effect is like a minimalist architectural drawing or a stylized landscape scene.

Invoice Date: April 19, 2013  
Invoice No.: 998704  
Page: 2

The figure consists of a 10x10 grid of black rectangular bars. The bars are arranged in a staggered pattern, creating a sense of depth. Some bars are fully visible, while others are partially cut off by the grid edges. The bars are of varying widths and heights, with some being very thin and others being quite thick. The overall effect is a minimalist, abstract graphic design.
